

## **Notice of Import Duty and Fees on International Shipments**

The fees for shipping are presented to our buyers/customers during a web order, on our Estimates and on our Invoices. However, duty, taxes, and other import fees are not.

All Import Duty, Taxes and Fees associated with importing equipment to a country outside the USA are the responsibility of the buyer. This applies to Apex BASE built containers, canopies, and accessories.

For orders involving an Apex container and an Atair custom canopy, shipments will be made in 2 separate boxes. One from Apex, one from Atair. Please note that all Atair Aerodynamics canopies (including but not limited to OSP2, Troll, Winx, Vision) will be shipped from Atair (Slovenia) directly to the buyer. All Import Duty, Taxes and Fees for the incoming package are the responsibility of the buyer. This includes shipments to the USA.
